Dear Mary,

Thank you for the generous in-kind donations of immediate need items from the good people at St. Joseph Church. Your gift will go toward supporting the life-changing work of Franciscan Outreach.

During these uncertain times, we are so very grateful for your support. The hundreds of men and women we serve at Franciscan Outreach are our city's most vulnerable residents who may be more susceptible to illness because, often times, they have underlying medical conditions and lack reliable health care.

Franciscan Outreach exists as a safety net for men and women who rely on us to provide for their immediate basic needs and who count on us to safeguard them from harm. However, the COVID-19 crisis has increased our concern for the health and safety of the people within our care.

In an effort to increase social distancing to reduce the risk of exposure and transmission of the illness, we moved 145 guests from our two largest shelters to a designated Chicago YMCA. With this additional site, we are now staffing four shelter locations during the COVID-19 pandemic, each operating twenty-four hours a day, seven days a week.

Thank you for your support of Franciscan Outreach and the men and women we serve each day. Because of you, we're able to make a meaningful difference in the lives of so many who have nowhere else to turn for help and hope.

Gratefully,

Richard Ducatzenzeiler
Executive Director
