

YOU ANSWERED THE CALL !

When we began our Forward in Faith Campaign,
a goal of \$2,250,000 was challenging.
It seemed like a long road ahead.

It is with **a grateful heart**, and
in awe of the gracious generosity and kindness
of so many of our parish families
that we are excited to share

WE DID IT!

We have reached our \$2,250,000 GOAL!

We belong to an incredible community of faith.
We reached our goal together.
May God continue to strengthen us and lead us forward!

In the weeks ahead, we will share more details on how we reached this goal,
about the parish families who helped make this possible
and about our campaign celebration.

For those who still wish to give,
it's not too late to join the flock!
Your gift will make a difference by enabling us to
purchase furnishings and technology not included in our original project budget.
