

We are pleased to announce that we have partnered with **eCampus** for the purchase of all required textbooks and e-books for classes for the 2020-2021 school year. This will make book purchasing easier and allow many more options, including purchasing used books. All books for the coming school year must be purchased through **eCampus**. The link to the online bookstore with required text and e-books will be available on our website by July 22.
