A character reference is a tool used to help evaluate youth and their ability to minister with students in our Youth Confirmation program. Holy Rosary is committed to empowering and developing the skills of youth in the parish. This character reference will be used to identify strengths and weaknesses of youth providing specific services to others in the parish and larger community. It will also be used to help evaluate youth as volunteers in specific parish situations and their suitability for various responsibilities.

A character reference may be submitted by the following; a principal, coach, teacher, pastor, trusted adult in the parish. Two character references are needed. The information in this character check will be treated confidentially.
