

Tue, Jul 6

Dear Families,

I hope this email finds you well and that you are enjoying these wonderful days of summer!

As you may have seen last month, the general calendar for next school year is available on the school website - please [click here](#) to view it. I am happy to let you know that (as of this writing) we are planning to have a full calendar of Home School Association events and activities for the 2021-2022 school year! Our parents have always been a vital part of the success of our school. Participation in both the Volunteer and Fundraising Programs allows us to provide rich experiences beyond the classroom for our children. While everything was on pause last school year due to COVID restrictions, our plan for our next school year is to have a full calendar of HSA events and include any safety protocols that are required for their success.

Beginning in September our Volunteer and Fundraising Programs will be back! Please click [this link](#) for a brief slideshow about these programs - it will serve as a "refresher" to our existing families, and an introduction to the programs for the newest members of our OLV School Family. Please take a moment to view the slideshow and then complete the online Volunteer Registration below to volunteer for various events and/or activities.

We are looking forward to all of our great events - here is a special SAVE THE DATE:

***The OLV School Golf Outing and Dinner -
our biggest fundraiser -
will be marking its 25th Anniversary on Friday, September 24th!***

This event will need a few dozen volunteers to ensure its success.

There are many tasks, both behind the scenes and at the event, that will benefit greatly from your willingness to help.

Registration to Volunteer for the 2021-2022 school year's events and activities can be found by [clicking here](#).

Reminder: please check the [OLV School website](#) often for information about the coming year.

Thank you for your help to make OLV the place to be!
