Classes: Classes: ACCP Precalculus, ACCP College Algebra, ACCP Calculus

Supplies:

I recommend **all classes** have a 1.5 inch binder, dividers, loose leaf paper, and pencils. I find this to be the best way to organize everything. I will NOT require these supplies. You know what you like. You definitely need plenty of paper and a way of organizing handouts.

**ALL CLASSES MUST HAVE A GRAPHING CALCULATOR**

TI-83 Plus, TI-84 Plus, or TI-84 Plus (CE) are excellent options. They are pricey so shop around. I will NOT be able to help you use other calculators than the ones listed.

College Algebra students need to buy their book for the course. Try and buy one from a student who previously took the course.
